

# CONSUMED

## Consumed

Words and music by Christi Heinrich

### Verse 1:

Your love is like a flame, that burns inside  
A passion that surrounds, but never subsides  
A fire within, cannot be tamed  
Name above all names, we will proclaim

### Pre-Chorus:

You made the sun, you send the rain  
Pour out your spirit to wash us again  
You hung the moon, you paint the sky  
Send down your fire, this is our cry  
This is our cry

### Chorus:

We are consumed with you  
We are consumed for you  
We are consumed by you  
We are

### Verse 2:

You know my heart, you've searched my soul  
To you I give complete control  
Your presence alone sets me ablaze  
With all that I am, I'll seek your face
