God Is Love

Words and music by Peter Orozco and Shon Morgan

Verse:

God is a God of love
He embraces the forsaken cures the wounded
Gives peace to the restless
His mercy is everlasting
In this life he's my protector when I call on Him He answers
And with open arms He takes me as I am

Pre-Chorus:

Oh Lord, there is none like You
I lift my voice to sing unto you oh God

Chorus 1:

Your love is eternal
Your love is unconditional
Your love for me will never change
From age to age it remains the same
You loved me first with a love pure and true

Chorus 2:

Your love is eternal
Your love is unconditional
I have nothing Lord to offer
As I fall here on this altar
I completely surrender my life to you

Bridge:

So what can separate us
From His unfailing love
No matter what you've done, His grace is enough
You can climb the highest mountain
Swim to the lowest depths
And all you'd find is that His love never ends
